Dear Irena and Peter,

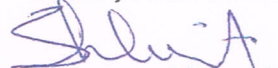

We just came back home from our visit in Hannover, where we stayed for one week in your nice accommodation, the most amazing place to stay.

We must say that we had a beautiful vacation, a huge part of it - thanks to your cozy, central, comfort, well fitted place, excellent for our short time visit.

In your accommodation we could find everything we needed, and much more. Everything was perfect. Exceptional attention to details was noticed.

We highly recommend your place, and we will love to stay there again.

Thank you for been so fabulous hosts,

  
Shlomit and Shmuel.
